

NOVICE

ENTOMIOLOGY

STUDY GUIDE

(Revised 2025)

Novice Contestants

You will identify 25 insects by their ***common name***.

Each correct name is worth 4 points - a total of 100 points possible.

Twenty-five minutes will be allowed for identification.

Junior Contestants

You will identify 25 insects by their ***common name*** and ***give their type of***

mouthparts. Each correct name is worth 4 points and each correct mouthpart is worth 2 points - a total of 150 points possible. Twenty-five minutes will be allowed for name identification and another twenty-five

minutes allowed for mouthparts.

Common Name:

AMBUSH BUG

Class:

INSECTA

Metamorphosis:
